

Terms and Conditions

The following terms and conditions apply to all services offered by IN4.ORG.UK. By ordering services from IN4.ORG.UK you are agreeing to the following terms and conditions-

General

The acceptance of a commission shall be deemed as a contractual agreement between the client and IN4.ORG.UK.

We reserve the right to refuse to construct a website which we may judge as unfit due to content or otherwise. This includes, but is not limited to: sites containing obscene material, sites which promote hatred towards persons belonging to any ethnic group, religion or sexual orientation, and sites which infringe copyright or are contrary to UK laws.

IN4.ORG.UK cannot always guarantee to start work immediately on a commission but will arrange a date with the client as to when work can commence.

IN4.ORG.UK will not commence work until payment has been received from the client and the funds have cleared.

The basic package does not include any promotion of the client's website whatsoever. IN4.ORG.UK does not take any responsibility for the promotion, or lack thereof, of the client's website.

The client's website will be monitored by IN4.ORG.UK to ensure maximum time online.

All material, both text and images supplied by the client and used in the construction of the client's website, will remain the property of the client. All such material will be assumed to be the property of the client and free to use without fear of breach of copyright laws.

The copyright for all material provided by IN4.ORG.UK, such as HTML code, graphics, photographs and text, will remain the property of IN4.ORG.UK.

IN4.ORG.UK makes every effort to design pages which display acceptably in the most popular current browsers, but cannot accept responsibility for pages which do not display acceptably in new versions of browsers released after pages have been designed.

Domain Names

The initial fee of £250.00 solely covers the design fee. The registration of domain names are charged at their cost at the time of purchase .

IN4.ORG.UK are responsible for registration of domain names on behalf of the client.

As the domain names are registered on behalf of the client, the client is responsible for any subsequent renewal fees. Failure to pay renewal fees may result in the loss of the client's domain name and therefore loss of their website. The client will own all rights to their domain name and will remain to do so should they decide to discontinue working with IN4.ORG.UK. A transfer fee may be payable to reregister the domain name Registrant and/or Registrar.

Hosting

Hosting services are subject to a minimum 12 month period.

Billing & Pricing

Any subsequent invoices received by the client, after their initial payment, must be paid within 14 days of issue. IN4.ORG.UK expects payment by cheque, pay pal, cash or BACS transfer within 14 days of the date on any invoices.

IN4.ORG.UK reserves the right to alter prices at any time without notice. If a client has commissioned any services from IN4.ORG.UK prior to a change in prices, that commission will not be subject to any increase, but any subsequent commission may be subject to an increase.

Any changes to the client's website, after it has been signed off by the client, may be subject to separate fees.

Termination of Service

If a client wishes to terminate this contract with IN4.ORG.UK, then the client must provide at least 30 days written notification to:

If at any point during the Website Development Cycle a client wishes to cancel, they may do so, but will be invoiced an amount that IN4.ORG.UK judges to be proportional to the amount of work completed on the commission.

If the client decides to terminate the contract within the first 12 months then IN4.ORG.UK reserve the right to charge the client for the remainder of the contract.

If, during the Website Development Cycle, the client does not supply the content required in order to complete the commission within a reasonable amount of time, IN4.ORG.UK will consider that the client wishes to cancel the commission.
